But as week after week has ed, the hopele-sness of this expectation has more plainly revealed. On May 31 last Mr. Samuel Barrow, the official liquidato . lished a letter containing the following state. t:- The bank was started in 1856 and its doors in 1868. The share capital cribed is \$31,000, and the amount due to sitors and others £70,000 in round es. Of the assets referred to, the bad and ful-debts alone amount to 135,000, and residue of the debts, officers of the comclaim diens thereon amounting to 10, so that there is but a very Il portion really good. Practicelly elements of a dividend depend upon the existion of two assets, one a large debt due trustee of the bank, and the other the of the premises 35, Old Jewry, the head of the bank. At present it is difficult T the value of either, but with respect he latter the Mureers Company, to whom premises belong have commenced proceed-with the object of ejecting me; but I and have been for some time past, negoing with them, and I hope that, whether chave just couse or not, they will not, under from stances, attempt to leal out the strict er of the law. The profit and loss account ing the ten years the bank carried on its rations shows an amount of £5,800 received interest. &c., and that is the whole profit de; on the other side there is a chirge of for management, clerks' salaries, comsions, travelling expenses, directors' fees. and interest paid to shareholders, £3,400; ess figures, together with the losses by bad ts, will show where the money of the untunate depositors has gone, and there is no let that the concern was carried on until rly all its property and assets were exhausted. ere is, therefore, in this case no reason for ging the Court of Chancery with delay the payment of dividend." Although foura months have clapsed since that letter writtens not, one faithing has yet been I. Repeated applications have been made sin instalment of dividend, but without citing any reply. The misery which scheen occasioned is of the most bitter. id. One poor woman, a truss-maker, Visit Is, in the association. She has t lost her braband, whose life might haveon preserved if she had been able out of her vings to pay for proper medical treatment corner would has a husband lying sick and statute under similar circumstances. A monthnurse had saved \$120, and her daughter, a spole, £ 10, all of which was put in the savings it; and now the mother is receiving parish ilef. These are only a few instances out of my. Perhaps the lest thing the unhappy positors can now do is to dismiss all hope of staining any part of their deposits. The pro-nt position of affairs is thus indicated in a letr from the liquidator's solicitors, dated June :- In reply to your Liveur of yesterday, we we to inform you that the official liquidator proceeding with all diligence to get in the state, but several questions liave to be disposed before any dividend can be paid; questions lating to securities held by the late auditors heir title to which he disputes) are at present ibject to suits in Chancery. There are also herquestions which must involve considerable me before they can be disposed of. We do not se any chance of a dividend for a year or two, and then it will be very small."

At Harvard University this year the first rize for declaration was won by a negro. The Baltie and Black Seld will shortly be onnected by a railway passing through It is credibly reported that the offer of CHOO year produced only two can lidates for the itely a vertised head-mastership of Christ's Hospital. The Tribunal of Hanover has condemned a ov of 15 to a week's imprisonment, for having
